

## Specialised Sterile Environments Safety Statement

### 1.0 Company Policy Statement

It is this company's intention that all work will be conducted in accordance with the relevant Statutory Provisions of the Health & Safety at Work Act 2005 and all reasonable practicable measures taken to avoid risk to its employees or others who may be affected.

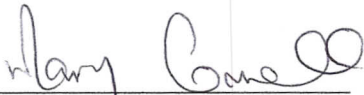

The Management and Staff of Specialised Sterile Environments have the responsibility for implementing this policy and ensuring that Health & Safety considerations are always given priority in planning and day to day supervision of work.

All Employees are expected to co-operate with the company in carrying out this policy and must ensure that their own work, so far as is reasonably practicable, is carried out without risk to themselves or others.

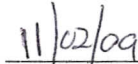

The Safety Representative shall represent all employees' interests with respect to Health & Safety & Welfare and reference should be made to this person in the event of any difficulty arising in the implementation of this policy

The Management will monitor the operation of this policy and this statement will be prominently displayed in the company's office and stores.

**The organisation and arrangements for implementing this policy will be available for reference by any Employee, Contractor or Visitor as required.**
